

Secretary's Update

This'n That...

UPCI General Conference

The 81st General Conference of the United Pentecostal Church was held September 29-October 2. It was a wonderful time of inspiration, compassion and reaffirmation of our doctrine and faith.

Some of the elections results are as follows:

General Superintendent—
Kenneth Haney

Youth President—
Todd Gaddy

Ladies Ministry—
Sis. Gwen Oakes

Foreign Missions Director—
Bruce Howell

Home Missions Director—
Carlton Coon

Home Missions Secretary—
Travis Miller

Assistant Superintendent
(Eastern) - Paul Mooney

Assistant Superintendent
(Western) - Randy Keyes

Bro. Dan Batchelor was appointed as the Director of the Dept. of Education.

There was a beautiful spirit of giving to help raise our outgoing missionaries budget and also to assist our churches and brethren who have suffered because of the recent hurricanes in the gulf coast region.

Wisconsin District Website

Work has begun on a Wisconsin District Website. The URL is www.widistupci.org. We have started placing some items on the site. Items that will be of great assistance are the ministerial directory, and church and minister address labels for our district. There are in pdf format that can be downloaded for your use. All address, email, phone changes will now be updated via the web page. We will send out hardcopy directories only by request. You will also be able to make a change of address etc. directly on the web site.

Included are some ministry helps and a pictorial directory of our ministers & wives. (If you are not included in the pictorial, please send up a picture.) In the future, the ministers only page will be able to be entered only with a password.

Each department will have a web page on the site to keep their information current.

Please take a look and be patient as we continue to build the site! www.wiupci.org
