

Rev. Michael Schmalz
1958-2008

Beloved husband, father, pastor, leader and friend, Michael Schmalz, went home to be with the Lord on Friday, September 5, 2008. Pastor Michael Schmalz was a friend and mentor to many, possessing a vision to see souls saved and new churches started all across Wisconsin. He grew up in the Fox Valley region of Wisconsin. He attended high school in Kaukauna, and went on to receive his Masters of Theology from Indiana Bible College. Pastor Schmalz has been instrumental in training others to work for God, many receiving their ministerial license. Since he and his wife, Penny, founded Apostolic Truth Church in January of 1982, six new works in the state of Wisconsin have grown from it. Rev. Schmalz served as the Director of the Wisconsin District Home Missions Department since 2003. Pastor Michael Schmalz is deeply missed by many friends in Wisconsin and all across the world, but most of all by his beloved wife, Penny and their three children, Luke, Levi and Brooke. We ask that you continue to uplift the Schmalz family and Apostolic Truth Church in your prayers as they “..press toward the mark..” that we all may one day meet in Heaven!
